Our season productions are sorted by folder. In each production folder, you will find various hi-res versions of our season artwork (unless otherwise noted, all photos by Steve McHugh), artist headshots and, when available, set and costume design renderings which may be used for publicity purposes.

Please contact Minnesota Opera's **Communications Manager Daniel Zillmann** at dzillmann@mnopera.org or 612.805.4316 if you have any further questions or media related needs.
